Dear Mr. de Rojas,

I would like to refer to my letter dated 14 August 2008 inviting you to attend the workshop on 'Integrating Human Rights in Financing for Development', which I am pleased to inform you was held in Geneva from 15 to 17 September 2008.

The workshop brought together a number of human rights and development academics and civil society groups from different regions for a discussion that cut across all the main themes in the Financing for Development agenda from the perspective of human rights, including the right to development. We are also grateful for the participation of Mr. Hazem Fahmy from the Financing for Development office at this event who made a valuable contribution to the workshop.

Please find attached the consolidated comments of the participants on the Draft Outcome Document for the Doha Review Conference. We would be grateful if the attached comments be shared together with the background note, in the most appropriate way with the co-facilitators of the Conference, H.E Mr. Johan L. Løvald, Permanent Representative and H.E Mr. Maged A. Abdelaziz, Permanent Representative. We hope that the comments will serve as a useful contribution to the informal consultations underway on the Draft Outcome Document.

Thank you for your assistance and cooperation in this matter.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Ibrahim Wani'.
